# Save time and money

## Super high-yield ink cartridges

With the MFC-J1300DW you get enough in box ink to last for 3 years\*\*. You can rely on this 4-in-1 printer to do its job while you concentrate on yours.

## Connect and go

If your office requires a multifunction printer that allows multiple users to connect, quickly and easily, in a variety of different devices, look no further. The MFC-J1300DW not only offers a built in wireless network it provides wired LAN, mobile compatibility and near-field-communication so printing on-the-go could not be easier.

## Multi-tasking made easy

As well as automatic 2-sided printing, allowing you to save time and the environment, the MFC-J1300DW boasts a 20-page automatic document feeder. You can now load your document and let it scan or copy while you complete other tasks around the office. Effective efficiency at its best.

## Smart, yet straightforward

Despite being a true all-rounder with print, copy and scan capabilities, the MFC-J1300DW is designed with the user in mind. With a simple setup process and user-friendly 6.8cm LCD touchscreen to navigate jobs you'll be up and printing in no time, with minimal time lost on what truly matters.

\*\*Print yield is based on average monthly print volumes of approximately 200 pages at 60% black pages / 40% colour pages in accordance with ISO/IEC 24711 using 4 cartridges provided in-box
