

Data and charging cable with Type C 2.0 Connectors

SKU: TECABLETCC20K

Cable for data transfer and charging, equipped with two Type C 2.0 connectors, length 150cm.

This charging and data transfer cable is designed for all those who have devices with **Type C inputs**.

The cable is equipped with two **Type C 2.0** connectors which allow rapid and easy charging, and file synchronisation.

You can insert one of the two connectors into the dedicated socket of a power supply, or device used to receive data. Connect the other connector to your device, smartphone or tablet, to start charging or transferring files such as images, video, or music.

With a length of 150cm, this cable will meet all your everyday needs. Use it to connect devices that are far apart or, thanks to the reinforced connectors, in tight corners.

Features:

- 2 Type C 2.0 male connectors

- Charging and data transfer

- Length: 150cm
