

DP301M is the micro-ATX version of another Antec new gaming series - **Dark Phantom**. As the Dapper Dark Phantom, DP301M still keeps excellent quality and the capability of being equipped with high-performance components. It may be small and light, but we never neglect every detail of the case. The ARGB boomerang front panel design represents the agility and speed in the gaming realm. DP301M is the perfect choice for gamers to enter the gaming world.

Net Weight: 4.9 Kgs
Gross Weight: 5.9 Kgs

STREAMLINED STYLING FOR AGILITY AND SPEED

SUBTLE INTELLIGENCE

Mesh design will not stop the systematic airflow.

* Pre-installed 1 x 120mm Fan at rear, supports up to 120 mm radiator

Removable dust filter at the bottom, easy to be taken off and cleaned.

FRONT

Radiator Support : 1 x 280 mm

3 x 120 mm OR 2 x 140 mm

Mesh front panel design enhances air intake.

Unlike other similar cases, DP301M features with Embedded Tempered Glass Panel Design, which leads to a sleek and well-shaped body without any unnecessary part. What's better, the other function of it is to support the weight of the tempered glass, preventing it from breaking quite easily on account of physical impact or accidents.

SMART GROOVE DESIGN

Ensures you can safely remove the tempered glass side panel.
