Meet the Lenovo™ Yoga™ 530, a stylishly compact 14" convertible packed with features that will make the absolute most of your entertainment and creativity: premium AMD processing and security options, Active Pen support, and dazzling visual and audio clarity for all of your multimedia needs.

### WHY YOU SHOULD BUY THE LENOVO YOGA 530

#### Flexible & Adaptable Just like you

Featuring polished aluminum surfaces and a 360° hinge that effortlessly transitions from tablet to laptop mode and back, the Yoga 530 is as stylish as it is adaptable. And at 1.6 kg, you'll be able to bring it anywhere the day takes you.

#### Think it, ink it

The optional Lenovo Active Pen features pin-point accuracy and palm-rejection technology, providing the natural feel of a pen-on-paper writing experience. Use it with Windows Ink, found on the Yoga 530 taskbar, to turn thoughts into action.

#### Like a portable home theater

Settle in for a movie—you'll see every frame in crisp detail on the Yoga 530's wide-angle FHD display, edged with narrow bezels and featuring 250 nits brightness. Your sound will pop too, with the virtual surround sound experience of Harman Speakers optimized with Dolby Audio™ Premium.

#### Get a boost

Over 4 years and 2 million hours of engineering went into the development of the latest AMD Ryzen™ processors. We combine that with the world's most anticipated Graphics engines to create the AMD Ryzen™ Accelerated Processing Unit. Whether you're working or playing, you'll experience optimized power, performance and speed.
