

# LOGITECH® MX ANYWHERE 2 WIRELESS MOBILE MOUSE

## Portable precision anywhere you work

Your job doesn't just happen in a room with your name on the door. It happens in coffee shops, airplane seats, hotel rooms and off-site meetings. The compact and powerful MX Anywhere 2 works everywhere you do and on just about any surface.

### FEATURES AT A GLANCE

#### Tracks virtually anywhere

Darkfield™ Laser Tracking gives you flawless cursor control even on glass<sup>1</sup> and high-gloss surfaces.

#### Easy-Switch™ technology

Pair up to 3 Windows® or Mac® devices at the same time and easily switch between them with the touch of a button.

#### Sculpted, compact shape

Crafted to fit your hand, this comfortable portable mouse gives you the control you need at home, at work, or on the go.

#### Virtually limitless customization

- Customize buttons and actions to your needs with Logitech Options™ software
- Now with app-specific customization (program buttons to perform specific tasks in different apps)

#### Dual wireless connection

Connect to Windows® and Mac via our smallest-ever (3 mm) Pico Unifying™ receiver or via Bluetooth® Smart wireless technology.

#### Rechargeable battery

- Go for up to 2 months on a full charge<sup>2</sup>
- Quick charging with included micro-USB charging cable

### WORKS WITH

- USB port or Bluetooth® Smart Ready device or Windows tablet
- Windows® 10 or later, Windows® 8, Windows® 7, Mac OS® X 10.10 or later
- Internet connection for software download

Logitech Options software and customization are not available for Windows Vista® and Windows® XP

### WHAT'S IN THE BOX?

- Wireless mobile mouse
- Pico Unifying™ Receiver
- Micro-USB cable for recharging
- User documentation
- 1-Year Limited Hardware Warranty
