

HP Reverb Virtual Reality Headset - Professional Edition

Transform your expectations of VR. With double the resolution, two times the pixels¹, take your content to another level with this ultra-light, ultra-immersive headset that's changing the game.

Lifelike VR like never before

Discover a multi-sensory experience like no other with our next-level headset. A staggering 2160 x 2160 resolution per eye, 114° field of view, plus integrated spatial audio and dual smart assistant supported mics lets you harness the full immersive power of VR.

Lighter, smaller and sleeker than ever

More streamlined and more wearable¹, this super light HMD offers long-lasting comfort, giving you deep immersion and a natural viewing experience in every session. It's innovation worn lightly.

¹ Compared to HP Windows Mixed Reality Headset, Professional Edition.
