We currently expect to be accepting final orders through the End-of-Sale (EOS) date defined below. However this final date will depend on the continued availability of stock and, at HPE Aruba's discretion, the actual effective EOS date may be earlier. We strongly encourage you to transition all backlog and new business to the recommended replacement products where and as soon as possible.

Definitions

- End-of-Sale (EOS) Announcement Date: The date when Aruba announces the End of Sale (EOS) and End of Support Life (EOSL) for a given product to the general public.
- End-of-Sale (EOS) Date: The product is no longer available for purchase after this date and is removed from all price lists. However, product availability is determined by announced End-of-Sale (EOS) date or depletion of inventory, whichever comes first. We strongly encourage customers to transition all backlog and new orders to the recommended replacement products.
- End-of-Warranty Date: The product is no longer eligible for warranty claims after this date. For warranty details on your product, please refer to the [Aruba Warranty and Support Summary](#).
- End-of-Support-Life (EOSL): The product is no longer supported by Aruba Support Services after this date.
