

## juice pack access™

Protective case with built-in battery designed to keep you powered through the day.  
Made for iPhone 11 Pro, iPhone 11 Pro Max, and iPhone 11.

**WIRELESS  
CHARGING**

**BUILT-IN  
BATTERY\***

**FULL PORT  
ACCESS**

### **EXTRA BATTERY**

Rechargeable battery case provides a boost of power to get you through the day.

### **WIRELESS INPUT / OUTPUT**

With Priority+® charging, wireless power will be sent to the iPhone first before recharging the juice pack.

### **COMPACT DESIGN**

The compact design feels great in your hand and provides superior, edge-to-edge protection.

### **EVERYDAY PROTECTION**

A tough polycarbonate exterior dissipates impact, helping to protect your iPhone from bumps and drops.

### Key Selling Points

- The intelligent design gives you full access to the Lightning port on your iPhone, so you can use your EarPods or headphones to listen and talk while you charge.
- The juice pack access battery case works with any mophie wireless charging accessory and other Qi wireless chargers.
- This compact case is so comfortable in your hand, you'll forget it has a built-in battery.
- Recharge the juice pack access battery case wirelessly or use the USB-C port.
- With Priority+ pass-through charging, power is directed to the iPhone first, before the juice pack access recharges itself.
- The juice pack access battery case can be wirelessly charged independent of the iPhone.
- The LED status indicator button lets you check the battery level and turn the juice pack access battery case on and off.

Compatible with all mophie wireless accessories.
