

1. This product is intended for children able to unaided (minimum 6 months) up to 36 months (maximum 15 kg).
2. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
3. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
4. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
5. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
6. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
7. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
8. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
9. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
10. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
11. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
12. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
13. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
14. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
15. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
16. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
17. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
18. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
19. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
20. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).

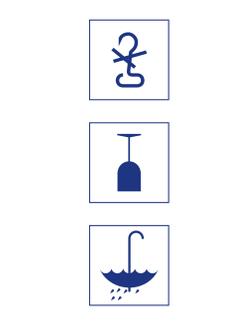

1. This product is intended for children able to unaided (minimum 6 months) up to 36 months (maximum 15 kg).
2. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
3. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
4. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
5. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
6. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
7. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
8. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
9. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
10. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
11. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
12. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
13. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
14. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
15. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
16. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
17. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
18. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
19. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
20. The product is not to be used for children under 6 months (minimum 6 months) and over 36 months (maximum 15 kg).
