Your photo stylist
- Access exclusive designer features for fashionable frames, stickers, and more, using the HP Sprocket app.[3]
- Edit and print wallet-sized photos from your smartphone, with the HP Sprocket app.[2]
- Download the HP Sprocket app to customize your photos with stickers and doodles before you print them.[2]
- Scan Sprocket Select and photos for content in augmented reality— videos, geolocation features, and more.[2]

Tag it. Print it.
- Seamlessly print photos from your smartphone—favorite in your camera roll or bookmark on social media.[2]
- Sprocket Select wakes instantly from sleep mode—print quickly through the HP Sprocket app using Bluetooth®.[5]
- Create a shared album with Google Photos.[2] View and print photos in one place with the HP Sprocket app.[2]
- Easily share Sprocket Select with additional smartphones, and track photos with customizable LED colored lights.[6]

Bigger photos.[4] Better stories.
- Print glossy 2.3 x 3.4 inch sticky-backed photos for journals and other creative projects.[2]
- About the size of a cell phone, this portable photo printer goes virtually anywhere.
- This thin, portable photo printer is designed to match your style.
- Easily load the HP Sprocket 2.3 x 3.4 inch Photo Paper for simple photo printing.
