

HP All-in-One 21-b0005nl Bundle PC

Clean. Clutter-free.

Tired of your old computer cluttering your space? The HP All-in-One blends the power of a desktop with the elegance of a slim, sleek display into one dependable device designed to fit you.

*Product image may differ from actual product

Get things done

Multitask easy with a reliable processor and store more of what you love with multiple storage options.

Keep it easy

Stream and browse carefree with a privacy shutter camera that you can close when not in use. Integrated dual microphones and advanced noise reduction let them hear you, not everything around you.

Made to be seen

See more of your screen with a narrow bezel display designed to adjust to your level. Conveniently placed ports help keep cords out of the way, so your space feels clean and uncluttered.

HP All-in-One 21-b0005nl Bundle PC

Featuring

Windows 10

Do great things confidently with the familiar feel of Windows - only better.¹

Quad-core Intel® Pentium® Silver processor

The perfect combination of performance, power consumption, and value helps your device handle multitasking smoothly and reliably with four processing cores to divide up the work.²

Intel® UHD Graphics 605

Smoothly stream 4K content and play your favorite games in 720p, without the need for a dedicated graphics card. With excellent Intel® UHD graphics performance, you'll see the difference in everything you do.³

PCIe SSD storage

Boot up in seconds with lightning fast speed with up to 256 GB PCIe SSD storage.

DDR4 RAM

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

Quality everyone can count on

Life can be unpredictable, but your HP All-in-One shouldn't be. Backed by over 230 individual tests, our All-in-One goes through it all to deliver durability you can trust and reliability you can count on.⁴

Adjust your view

Adjust the screen to your personal preference with a 5-degree forward or 20-degree backward tilt.

Full HD display

Sit back and enjoy crystal-clear visuals and images with the vibrant quality of 2 million pixels. The 1920 x 1080 resolution gives all your digital content a new dimension.⁵

Anti-glare panel

Enjoy the sun and your favorite content with this anti-glare panel. Non-reflective and low gloss means you'll get less glare while you're outside.

Dual array microphone

With two microphones and advanced noise reduction software, you'll always sound crystal clear when you video chat or record.⁶

802.11 a/c (1x1) WLAN & Bluetooth® 4.2

Stay connected to Wi-Fi and to Bluetooth® accessories with wireless technology.⁷

SuperSpeed USB Type-A 5Gbps signaling data rate

Plug in your external storage with this SuperSpeed USB Type-A port, featuring 5Gbps signaling data rate.⁸

Narrow bezel display

By squeezing a larger screen into a smaller frame, this narrow bezel optimizes your display's appearance with an efficient design.

Key Selling Points Footnotes

Feature Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance. Internet service required and not included. 4K content required to view full 4K images. Graphics output may be limited based on the maximum resolution of the display.
- ³ High-definition (HD) content required to view HD images. Graphics output may be limited based on the maximum resolution of the display. 4K content required to view full 4K images.
- ⁴ HP Total Test Process testing is not a guarantee of future performance under these test conditions. Damage under the HP Total Test Process test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ⁵ Full high-definition (FHD) content is required to view FHD images.
- ⁶ Internet access required and not included.
- ⁷ Wireless access point and Internet service required. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the laptop to communicate with other 802.11ac WLAN devices. Bluetooth® is a trademark owned by its proprietor and used by HP Inc. under license.
- ⁸ Actual throughput may vary.

Technical Specifications Footnotes

- ¹ New Dropbox users are eligible to get 25 GB of Dropbox space free for 12 months from date of registration. For complete details and terms of use, including cancellation policies, visit the Dropbox website at <https://www.dropbox.com/help/space/hp-promotion>. Internet service required and not included.
- ² Free 30 day subscription of McAfee LiveSafe service included. Internet access required and not included. Subscription required after expiration.
- ⁴ All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
- ⁵ Percent of active plus nonactive viewing area to active viewing area plus border. Measure with lid vertical to the desk.
- ⁶ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ⁷ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost/> for more information.
- ²⁴ Must activate within 180 days of Windows activation.
