Virtual 7.1 surround sound

The Trust GXT 350 Radius 7.1 Surround Headset is your gateway into the roaring realm of gaming. It features sharp surround sound so you will always be one step ahead of your enemies. With this headset, you are crowned to fully enjoy the celebrations of your victories.

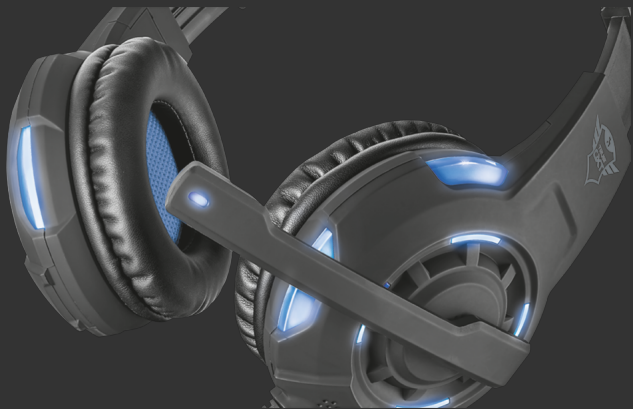

Immersive experience

The Radius headset will release your full potential. It is equipped with 7.1 surround sound with powerful 40mm active speaker units which transmit every detail directly. Connect your headset via the USB connector and instantly experience high-quality sound and voice.

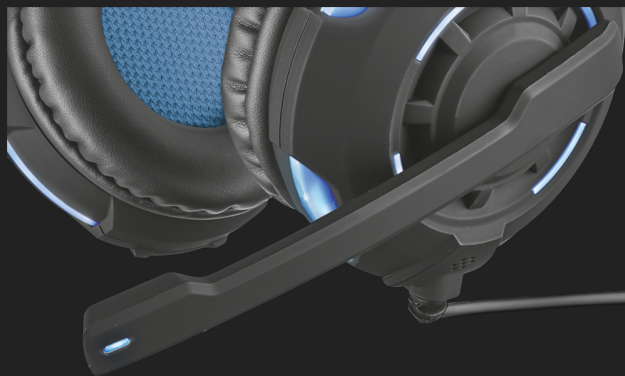

Radiate on the battlefield

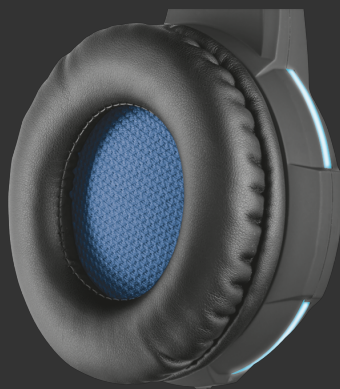

The illuminated design of the Trust headset is your key to get noticed. You'll outshine your enemies and lead your teammates with the integrated blue LED lights in the microphone and earpieces towards success. Equip yourself to stand out!

Defeat miscommunication

Talk with your teammates as if you're in the same room. The clear sound of the adjustable microphone makes sure you won't be defeated anymore by miscommunication.

Endless comfort

The soft and comfortable over-ear pads combined with the adjustable microphone and headband give you the comfort you need for those prolonged gaming sessions every single time. You are ready to become the next champion.
