

TCL TAB 11

11" 2K NXTVISION Display.

Light & Thin.

8000mAh Battery.

NXTVISION

Next-level entertainment with all-day battery life

- Feel captivated by theatre-like viewing on an 11” 2K display.
- An 8000 mAh battery supports up to 10 hours of streaming.

Seamless streaming and video calls with ultra-clarity

See clearly on an expansive 11-inch 2K screen at a longer distance while cooking or exercising. An 8MP wide-angle front camera delivers a higher resolution for video calls or live streaming while a built-in Wi-Fi chipset ensures a non-lagging connection.

Complete your daily work & study with convenience

Designed with extra portability in mind, it has a sleek look. Taking quick notes and creative drawing is easier than ever with a stylus with 4096-level pressure sensitivity. An intuitive UI boosts productivity with easy to use features.
