

ThinkBook 14s Yoga G2 IAP

Unleash the potential of this full-HD screen, ultra-portable, 14" convertible that's designed keeping modern, hybrid workspaces in mind. With dual SSD storage and up to 16GB DDR4 memory, power through multiple tasks and switch across applications effortlessly. The improved touch mode lets users work the way they prefer. Take notes, sketch designs, sign documents - all of this with the ThinkBook integrated Yoga smart pen that syncs with user workflows.

Thunderbolt 4 and USB-C connectivity enables uninterrupted data transfers and amplified connectivity to monitors and peripherals. Plus, Wi-Fi 6E boosts wireless performance, helping modern professionals stay ahead of their work, no matter where they are located.

Users will appreciate the 100% sRGB colour gamut and intelligent image upscaling that offers rich and deep color reproduction, resulting in true-to-life visuals.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

Lenovo devices that are a class apart

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.
