

ThinkPad X13 Gen 3 (AMD)

Experience high performance and seamless multitasking with the AMD Ryzen 7 Pro processor, ideal for business professionals who need to edit documents, video conference, and analyze data on the move. It also features AMD Radeon 660M or 680M graphics, essential for heavy-duty tasks such as data visualization. Designed for mobility, up to 15.68 hours of battery life ensures you can stay productive throughout your travels without recharging.

Experience superior sound quality with 2W dual Dolby Audio stereo speakers, perfect for critical business video conferences. Additionally, the optional 1080p camera with a privacy shutter provides high-quality video calls with the added assurance of privacy of the user.

Boost your productivity with up to 32GB LPDDR5 memory and up to 2TB SSD storage, ensuring smooth multitasking when working on demanding applications and detailed spreadsheets.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

Lenovo devices that are a class apart

ThinkPad X Series ultraportables combine enterprise security, manageability, docking and productivity features into a thin and lightweight design.
