

ThinkCentre M70t Gen 4

This fast and intuitive 13.6-liter tower equipped with the processing power of up to 13th Gen Intel Core i7 processor delivers high performance to business professionals. Combined with integrated Intel UHD 730 or 770 graphics, the desktop enables faster responsiveness for memory-intensive data applications. Additionally, the modern workforce can work efficiently and store heavy files with up to 128GB DDR4 memory.

Rugged compact performance primed for business

ThinkCentre M7 Series desktops offer enterprise security features, a wide range of configurations and expansion options, and reliability trusted by leading businesses across the globe.

Enhanced accessibility and better collaboration

For enhanced accessibility, the desktop allows professionals to access up to four independent displays via onboard dual DisplayPort, HDMI, and optional Flex IO; plus plugging in USB drives, extra cables, or checking a connection is a lot less tedious.

Equipped with security features and port flexibility

Discrete TPM 2.0 chipset, optional chassis intrusion switch, Kensington security slot, and BIOS security prevent unauthorized access into the interior of the system.

Optimized to minimize power consumption

Optimized to reduce power consumption, save your money, and reduce environmental impact, the desktop comes with optional EPEAT Gold, optional EPEAT Silver, and optional Energy Star 8.0 certifications.

Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

On-site Service

- If a problem can't be fixed remotely, we will visit your location
- Normally next business day service
- Agreed appointment times

Accessories

ThinkVision P24q-30

- The 23.8" QHD panel and NearEdgeless design ensures an immersive and distraction-free multiscreen experience
- Natural Low Blue Light technology ensures comfortable working for hours while ensuring color clarity in visuals
- Recyclable pulp packaging ensures you do your part in staying sustainable to the environment

ThinkCentre TIO Flex 22i

- Comes with an elegant design that presents a clean aesthetic, including an efficient cord management system and cellphone dock.
- The full-function monitor stand adjusts for on-point ergonomics and includes a wide tilt range and a lift extension of 130mm.
- It's single button simultaneously powers up both the Tiny and the monitor.
