

ROAMER

5G Mobile Hotspot with Wi-Fi 6

Fast 5G Internet

Stay connected with lightning-fast 5G for seamless streaming, smooth video calls, and instant file sharing. Just insert your SIM card and unlock secure connectivity with any operator, anytime, anywhere.

Advanced Wi-Fi 6 Connectivity

Connect up to 30 wireless devices simultaneously with reduced latency and improved efficiency. Wi-Fi 6 technology ensures all your devices stay connected without slowing down.

Intuitive Colour Display

Easily monitor signal strength, data usage, battery life and network details on a vibrant colour screen. Enjoy easy setup – just scan the on-screen QR code to quickly connect your devices.

All-Day Battery Life

Reliable connectivity on the go. Powered by a long-lasting battery, you can stay connected all day long, whether for business or leisure.

Compact and Portable Design

Lightweight and stylishly compact, it fits easily in your pocket or bag – perfect for travel, work and everyday use.

Enhanced Security and Privacy

Get secure, private connectivity with Roamer 5G and avoid risky public Wi-Fi networks where data can be easily compromised. Stay protected wherever you connect.

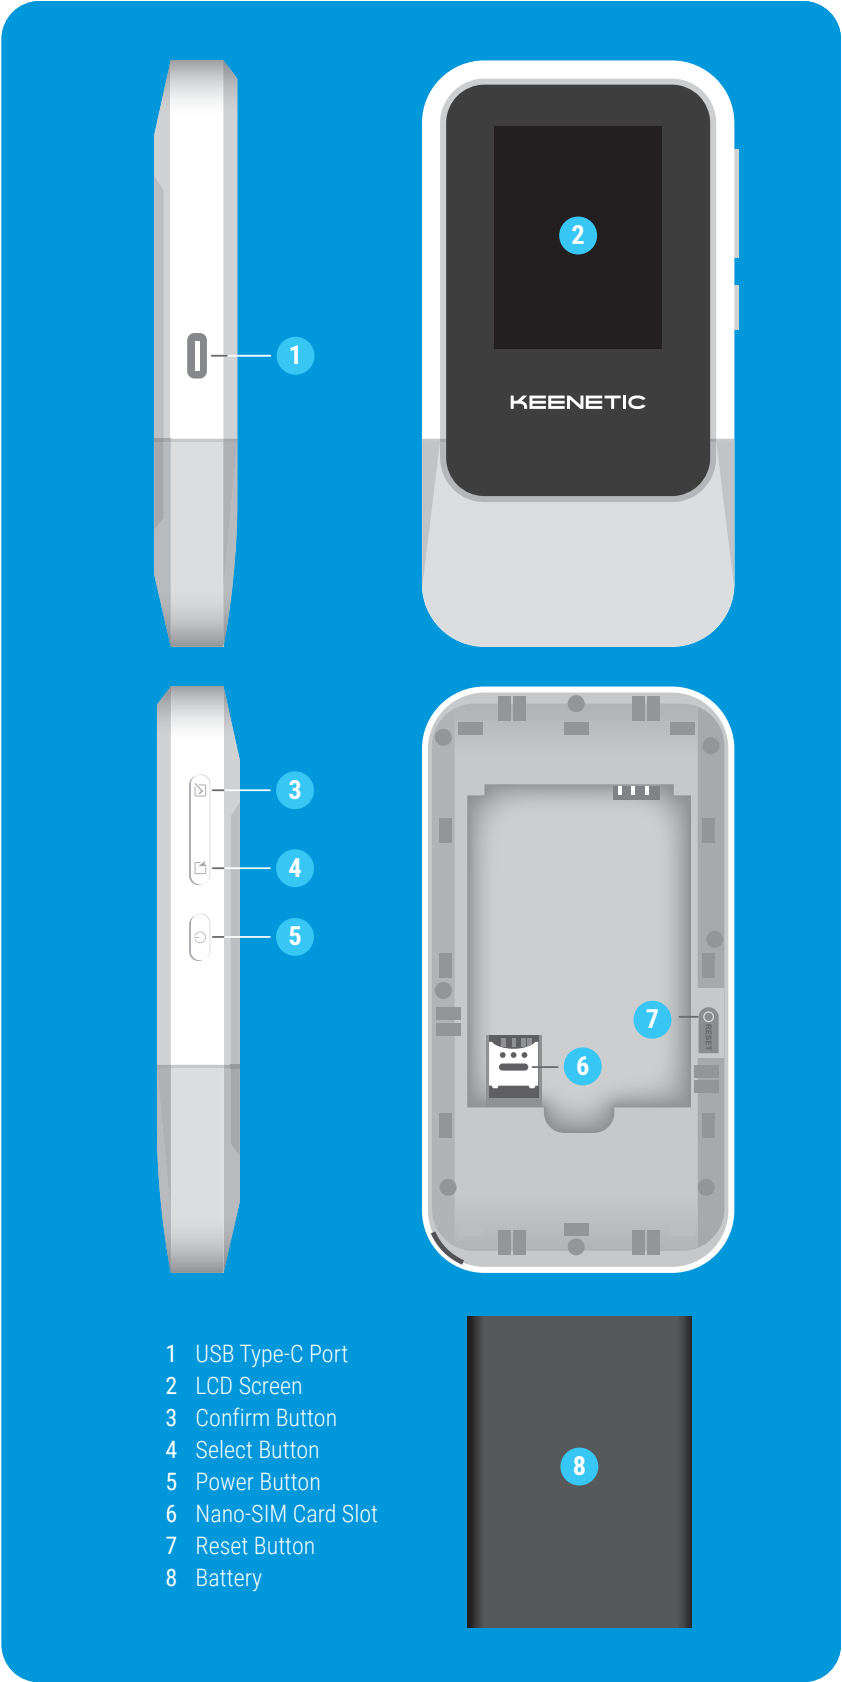

Specifications

- Dimensions: 131 × 70 × 18.3 mm;
- Weight: 178 g with battery;
- 2.4-inch LCD screen;
- Nano SIM card slot;
- Battery capacity: 4000 mAh;
- 5G NR NSA: 2.6 Gbps (Downlink) / 650 Mbps (Uplink)¹, n1, n3, n28, n77, n78 bands;
- 5G NR SA Sub6: 2 Gbps (Downlink) / 1 Gbps (Uplink)¹, n1, n3, n28, n77, n78 bands;
- 4G LTE: B1, B3, B7, B8, B20, B28, B38 bands;
- 3G: B1, B2, B5, B8 bands;
- Wi-Fi 6: 600 Mbps at 5 GHz¹, 287 Mbps at 2.4 GHz¹, IEEE 802.11a/b/g/n/ac/ax, WPA2/WPA3 security;
- USB Type-C port: Use a 10 W or higher USB-C charger, USB tethering.

What's in the box

- Roamer 5G Mobile Wi-Fi Hotspot;
- Li-ion removable battery;
- Quick Start Guide;
- USB-A to USB Type-C cable;
- SIM card and Internet subscription not included.

¹ Actual data throughput will vary and may be reduced by equipment features and settings, the number of client devices on the network, obstacles to signal propagation, the presence of other wireless networks, and radio interference.

Ordering Information

Model name	Part number	Short description
Keenetic Roamer 5G (KN-5210)	KN-5210-01-EU	5G Mobile Hotspot with Wi-Fi 6
