

Levoit Core 300S Pro Smart Air Purifier

Rest easy while the award-winning Levoit VeSync Core™ 300S Pro Smart True HEPA Air Purifier takes care of your atmosphere, all the while sending real-time air quality updates to your smartphone.

Specifications

CADR: 240 m³/h
Effective Range: 50 m²
Power Supply: AC 220-240V~50/60Hz
Rated Power: 23W
Noise Level: 22-50dB
Dimensions: 22.0*22.0*36.0 cm

Functions

On/Off
Auto Mode
Display Off
Display Lock
Fan Speed
Sleep Mode
Timer
Check Filter Indicator
Wifi Indicator
Air Quality Indicator

Coverage For 50m²

VortexAir 3.0 Technology generates strong air circulation, purifying 100% of the air in rooms as large as 50m² in 30 minutes. It's perfect for living rooms, bedrooms, home offices, kitchens, and basements.

3-Stage Filtration

H13 True HEPA filtration, enhanced with HEPASmart™ Technology, captures at least 99.97% of airborne particles 0.3 microns in size and uses statically charged fibers to trap them in the filter.

Smart Control

Want to check your air quality at home? Whether you are cooking, exercising or away from home, you can always ask Alexa or Google Assistant or use the free Vesync app to check indoor/outdoor AQI, daily schedules, and filter life.

Automatic Adjustments

AirSight Plus™ Technology's Laser Dust Sensor responds to air quality changes up to 5x faster than an infrared laser. Once the PM2.5 particle matters reaches a certain level, Auto Mode immediately begins the purification process.

Sleep Peacefully

Keep fresh air circulating throughout your space and protect your quality of sleep with low noise levels and display lights turned off.

Save Energy, Cut Costs

With a rated power of only 23W, this air purifier is eco-friendly and great for home energy expenses

Reduce Pollen Allergies

Combat congestion, watery eyes, and itchy skin during allergy season with H13 True HEPA filtration
