1. Availability of AI features may vary based on region. Please check official website for more information. Data tested by Xiaomi Internal Labs, actual results may vary.

2. Available storage and RAM are less than the total memory due to storage of operating system and software pre-installed on the device. Please consult the local seller on the availability of the power adapter in the box. Feature available via future OTA. The device is certified to be water and dust resistant exclusively under specific laboratory conditions not corresponding to normal use conditions. The warranty does not cover liquid damage caused by conditions other than test conditions. Ingress protection might deteriorate due to wear and tear, physical damage and/or disassembly needed for repair. For more information, please see Xiaomi official website. Wi-Fi 6E/Wi-Fi 6 capability may vary based on regional availability and local network support. Wi-Fi connectivity (including Wi-Fi frequency bands, Wi-Fi standards and other features as ratified in IEEE Standard 802.11 specifications) may vary based on regional availability and local network support. The function may be added via OTA when and where applicable.
