

ZB1

Remote Control

The remote control can switch the gateway's three modes: home, away, and disarm, realizing convenient arming and disarming switching. It also supports one-touch alarm, double-click, long-press, and scene linkage.

One-click alarm

Click the alarm button to trigger an emergency call

Flexible placement

Small and flexible, stick and use

Alarm message push

When an alarm occurs, the phone will also receive a message push.

Low battery reminder

When the battery is too low, the device reports a prompt message

Smart scene linkage

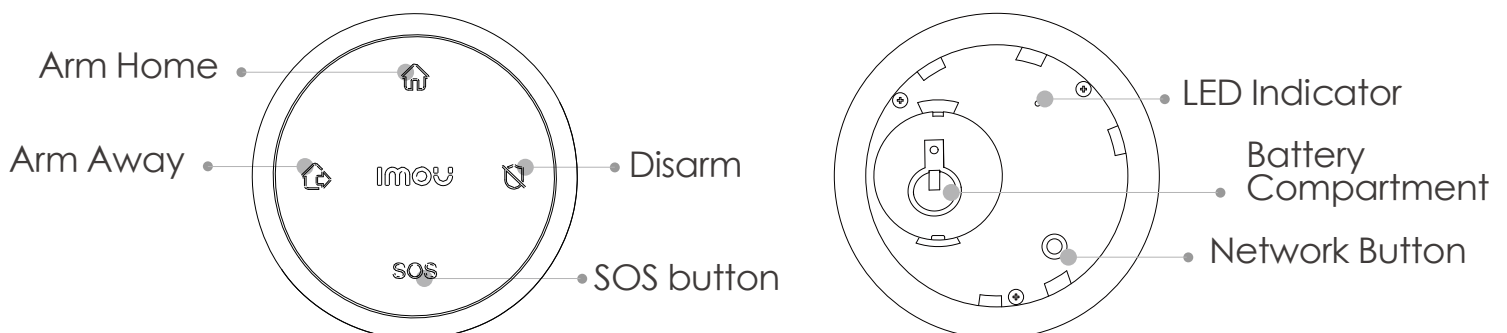

Interconnect with other smart home devices, such as IPC and light bulbs.

Long standby

Low-power design allows the device to work for 2 years

Overview

Specifications

General

Appearance size: $\phi 62.05 \times H13.9\text{mm}$
 Working voltage: DC 3V
 Standby current: $<10\mu\text{A}$
 Working current: $<30\text{mA}$
 Low pressure alarm: $2.75 \pm 0.05\text{V}$
 Operation temperature: 14°F to 122°F
 Battery life: >2 years
 Weight: 48 g

Network

Wireless protocol: Zigbee
 Transmit frequency: 2.4GHz
 Transmit power: 6 dB/m
 Communication distance: 130 m

What's in the box

- 1x Remote Control
- 1x 3M Tape
- 1x Iron Plate

- 4x Quick Start Guide
