URBAN GO 01

Practical · Durable · Accessible

Urban Go 01 is built for simple, reliable everyday mobility — delivering comfort and practicality without complexity.

Key Features

Key Features

Rear Hub Motor System

A reliable rear hub motor delivers smooth and consistent assistance, making everyday riding simple and easy to manage.

Comfort Suspension Fork

Equipped with a front suspension fork to absorb bumps and uneven roads, providing a more comfortable ride across city surfaces.

Practical 7-Speed Drivetrain

A 7-speed external gear system offers straightforward shifting and easy maintenance, ideal for daily urban use.

Reliable Hydraulic Braking

Tektro hydraulic disc brakes provide stable and consistent stopping power, ensuring confidence in everyday riding conditions.

Simple, Practical, and Ready to Go

Effortless to ride — just a reliable companion you can count on every day.

Everyday City Life

From commuting to errands, it fits naturally into your daily routine with ease and reliability.
